This information may be contained in a Statement of Advice (SOA).

When you ask me/us to recommend an insurance policy for you, We will usually only consider the policies offered by the insurers or insurance providers that We deal with regularly. In giving you advice about the costs and terms of recommended policies We have not compared those policies to other policies available, other than from those insurers We deal with regularly.

Product Disclosure Statement

If We offer to arrange the issue of an insurance policy to you, We will also provide you with, or pass on to you, a product disclosure statement (PDS), unless you already have an up to date PDS from the insurer. The PDS will contain information about the particular policy, which will enable you to make an informed decision about purchasing that policy.
